

Anders Brix

Anders brix is an architect (MAA and member of Danish Designers) and Professor of Design at Kunstakademiets Arkitektskole (The School of Architecture of The Royal Danish Academy of Fine Arts).

In addition to his work as researcher and teacher, Anders has a small, exclusive drawing office creating innovative and aesthetically demanding solutions within the entire field of architecture and with a particular focus on industrial design of architectural components. The design of furniture and of public spaces is among the primary areas of interest.

Anders is a member of Kunstnersamfundet (The Artists' Society) and an aesthetic consultant to Vejdirektoratet (The Danish Road Directorate) and several companies and he holds many honorary positions, among others member of Designrådet (Danish Design Council) and of the board of Modulex AS.
